Dear Mr. Andreas Heinzmann ,

We are pleased to inform you that we have received Draft IRIS certification On 8th Dec'2011.

I would like to take this opportunity to express my heartfelt thanks to you for your very active participation and continued patronage of our IRIS implementation project at Bhiwadi Site. At Lloyd Electrical & Engg Ltd. we are well aware about your excellent contribution and guidance during the last 12 months. We sincerely appreciate the time you spent as homogenous partner of our management team in teaching us, reviewing goals for IRIS Certification and recommending strategies for achieving them. Your guidance was one of the key success factors and gave us a new perspective on available opportunities. It was all due to your constant support and guidance that we have implemented IRIS systems at our Bhiwadi site successfully .

To say thank you in a more concrete way we asked you to plant a tree to commemorate an unforgettable time.

I look forward to seeing you again next year when we will take the next steps towards our company vision of business excellence.

Yours Sincerely

For Lloyd Electric & Engg Ltd
